

WEEK 13 MESSAGE for CIVICS & ECONOMICS-HONORS-3rd Block

(Week of NOV 2nd –NOV 6th)

Dear Students & Parents,

I hope this message finds you safe & sound! It was great to see all of the friendly faces at Trunk or Treat! Also, lots of crazy weather this past week, and personally I am looking forward to a calmer week ahead! Please read this information carefully as there are some important details below.

1. ATTENTION:

- Please review Mrs. Vereyken's Sunday email for important information.
- STUDENTS—make sure that you are working through the course MODULES page. Do not work through the "To Do" list or the Canvas Calendar because these areas do not show all of the weekly assignments.

2. UPCOMING ASSESSMENTS:

- **Chapter 17 TEST Economic Systems** from **9:00am-11:59pm on MONDAY, November 2nd**
- **This test/quiz must be completed during the testing window; there is no extension of time for tests.**

3. Our **Canvas Conference** is ...**THIS IS A TIME CHANGE!**

3rd Block Civics & Econ HONORS Tuesday, November @ 3:30pm

During this week's conference, we will discuss Chapter 18 Goods & Services and the assignments that go along with this chapter. Also, I offer small group/individual tutoring sessions **at the end of our Canvas conferences**, so please plan to attend this week's meeting for extra support. If needed, additional tutoring time for CIVICS & ECON is available on Tuesday afternoons from 3:30-4:00pm **by appointment**, just contact me if interested.

4. **Be sure to log into your school email and Canvas each day.** You should work on Block classes Mon-Wed-Fri and work on Period classes Tues-Thurs. Using a calendar will help you stay on track, and this is the best way to avoid MISSING ASSIGNMENTS! ***For Term 2 students will not be able to turn in assignments after the weekly 11:59pm Sunday deadline unless they have an excused absence.***

5. Remember to email techsupport@cgsnc.org will any technical or computer issue. Please email canvasassistance@cgsnc.org if there is an issue within Canvas. The "Getting Started in Canvas" module for all classes should address the most common features for navigation, work completion, and submitting assignments.

If you have pictures for the October contests, please send them to me ASAP. As always, please let me know if you have any questions.

Sincerely,

Mrs. Wilson
