4. **ALL STUDENTS: Be sure to log into your school email and each course daily following the A-day/ B-day schedule for attendance. The daily attendance assignment is due by 3:30pm for remote students.** Using a calendar or daily schedule will help you stay on track, and this is the best way to avoid MISSING ASSIGNMENTS!

5. Email techsupport@cgsnc.org with any technical or computer issue. Please email canvasassistance@cgsnc.org if there is an issue within Canvas. The “Getting Started in Canvas” module for all classes should address the most common features for navigation, work completion, and submitting assignments.
6. Finally, please remember that carefully reading all of the text and the additional notes and watching all of the instructional videos are critical to your success—there are no substitutes. This quarter will go by very quickly so make sure that you are working to the best of your ability. Working together we can accomplish great things!

Sincerely, Mrs. Wilson
