We will be discussing the Final Exam Study Guide, which is already in this week's module, in preparation for your final exam. Please plan to attend this important live instruction time, and bring questions to the conference as ***this will be our last Canvas conference for this class.***

4. **Be sure to log into your school email and Canvas each day.** You should work on Block classes Mon-Wed-Fri and work on Period classes Tues-Thurs. Using a calendar will help you stay on track, and this is the best way to avoid MISSING ASSIGNMENTS! ***The deadline for turning in any missing work is 11:59pm on Sunday, Dec 13th, unless it is an excused absence.***

5. Remember to email techsupport@cgsnc.org will any technical or computer issue. Please email canvasassistance@cgsnc.org if there is an issue within Canvas. The "Getting Started in Canvas" module for all classes should address the most common features for navigation, work completion, and submitting assignments.

We have lots of information to cover in a short period of time, so please plan to spend extra time reading and preparing for your exams this week. As always, please let me know if you have any questions.

Sincerely,

Mrs. Wilson
