

WEEK 20 MESSAGE for CIVICS & ECONOMICS-4th Period (Week of JAN 4th—JAN 8th)

Dear Students & Parents,

Happy New Year and welcome to 2021! We will begin the new year by looking at our elected officials as student conduct research to discover their local, state, and national representatives. Students will need to know their physical street address, complete with city and county of residence, in order to determine their representatives.

1. ATTENTION:

- Parents—if you have not added your email address to your student’s courses, please do so as soon as possible to aid in communication
- Remember to complete the daily attendance assignment in the Attendance Module of your 1st period class
- Please review Mrs. Vereyken’s Sunday email for important information
- Check out my website at lisawilsoncgsnc.weebly.com for course information, tips, resources, and special topics

2. UPCOMING ASSESSMENTS:

Who’s Representing Me Project (TEST GRADE) due by 11:59pm on Sunday, Jan 10th

3. Canvas Conferences: 9:45am on Thursday, Jan 7, 2021

Please plan to attend this live instructional session, as we will be discussing your “Who’s Representing Me” project. Each weekly conference will conclude with a tutoring session and question/answer time during the last 15 minutes. Additional tutoring is available to Civics students on Tuesdays from 3:30-4:00pm by request.

4. Be sure to log into your school email and your 1st period course each day for attendance. Some students did not complete any assignments after the midterm, and 0s were recorded for these grades.

The last day to submit these assignments is by Sunday, Jan 10th @ 11:59 PM.

You should work on Block classes Mon-Wed-Fri and work on Period classes Tues-Thurs, but you **MUST COMPLETE THE DAILY ATTENDANCE ASSIGNMENT EACH DAY.** Using a calendar will help you stay on track, and this is the best way to avoid MISSING ASSIGNMENTS!

5. Remember to email techsupport@cgsnc.org will any technical or computer issue. Please email canvasassistance@cgsnc.org if there is an issue within Canvas. The “Getting Started in Canvas” module for all classes should address the most common features for navigation, work completion, and submitting assignments.

I look forward to all of the new and exciting opportunities that 2021 holds for us!

Sincerely,

Mrs. Wilson
