WEEK 21 MESSAGE for ENGLISH I-1st Period (Week of JAN 11th-JAN 15th)

Dear Students & Parents,

This week has been another busy one, as we have gotten back into the school groove!

1. ATTENTION:

- PARENTS—if you have not added your email address to your student's courses, please do so as soon as possible to aid in communication. Also, be sure to add yourself as an observer to your students' courses in Canvas. The instructions for these processes are in the "Getting Started with Canvas" module within each of your student's classes in Canvas.
- STUDENTS—Remember to complete the daily attendance assignment in the January Attendance Module at the top of your Modules list
- > Please review Mrs. Vereyken's Sunday email for important information
- Check out my website at <u>lisawilsoncgsnc.weebly.com</u> for course information, tips, resources, and special topics

2. UPCOMING ASSESSMENTS NEXT WEEK:

- > Wordly Wise Lesson 9 TEST, Tuesday, Jan 19th, from 9:00am-11:59pm
- I-Ready Assessment the week of Jan 19th

3. Canvas Conferences: Tuesday, Jan 12, 2021 @ 9:00AM

Please plan to attend this live instructional session where we will review the Daily Language Practice assignments for this week. Also, we will discuss this week's goal setting assignments, and then conclude with a brief tutoring and question/answer time during the last 15 minutes. Additional tutoring is available to all ENG I students on Tuesdays from 3:00-3:30pm by request; this week's Tutoring Session will be a Canvas conference.

4. Be sure to log into your school email and ENG I course in Canvas each day for attendance. Remember that you should work on Block classes Mon-Wed-Fri and work on Period classes Tues-Thurs, but you MUST COMPLETE THE DAILY ATTENDANCE ASSIGNMENT EACH DAY. Using a calendar or daily schedule will help you stay on track, and this is the best way to avoid MISSING ASSIGNMENTS!

5. Email <u>techsupport@cgsnc.org</u> with any technical or computer issue. Please email <u>canvasassistance@cgsnc.org</u> if there is an issue within Canvas. The "Getting Started in Canvas" module for all classes should address the most common features for navigation, work completion, and submitting assignments.

Remember that we are focusing on personal improvement and growth this week! Please let me know if you need assistance with creating a daily schedule or if you have any other questions.

Sincerely,

Mrs. Wilson
