This week we will discuss literary elements and continue our grammar and language usage study, so please plan to attend this live instructional session. Also, we will conclude with a brief tutoring and question/answer time during the last 15 minutes. This week's tutoring session for all ENG I students is **Tuesday from 3:00-3:30pm. Look for the ZOOM link in your email on Monday, March 8<sup>th</sup>.**

**4. Be sure to log into your school email and 1<sup>st</sup> period course in Canvas each day for attendance.**

Remember that you should work on Block classes Mon-Wed-Fri and work on Period classes Tues-Thurs, but you **MUST COMPLETE THE DAILY ATTENDANCE ASSIGNMENT EACH DAY**. Using a calendar or daily schedule will help you stay on track, and this is the best way to avoid **MISSING ASSIGNMENTS!**

5. Email [techsupport@cgsnc.org](mailto:techsupport@cgsnc.org) with any technical or computer issue. Please email [canvasassistance@cgsnc.org](mailto:canvasassistance@cgsnc.org) if there is an issue within Canvas. The "Getting Started in Canvas" module for all classes should address the most common features for navigation, work completion, and submitting assignments.

6. If you missed the Virtual Curriculum Night, the information is still available on the school's website. Click [HERE](#) for that webpage. If you need information regarding content material or the difference between standard and Honors courses, please let me know. If you have specific questions about registering for your 2021-2022 classes, please contact Mrs. Nina Miller or Mrs. Emily Reagan.

Finally, please remember that it is critical for you to carefully read the text, the additional notes, and watch all of the instructional videos so that you have a better understanding of the content. Please let me know if you need assistance with creating a daily schedule or if you have any other questions. I look forward to another fantastic week as we close out Quarter 3.

Sincerely,

Mrs. Wilson
